

# Start a “Rumble” in your Church!

## May is Motorcycles for Pastors Month!

---

### DID YOU KNOW?

Without a motorcycle, Pastor Eugene must travel on foot to visit the many churches and evangelists within the Gitarama parish

It's a 6 to 12 mile walk to each of the more than 30 churches Pastor Eugene must visit

A single motorcycle for ministry use costs **\$6,000!** With almost 40 churches in partnership here, that is only **\$150** per church!

### How Can You Help?

- Sponsor a Bike-A-Thon
- Have a “Hog” Roast
- Landing of the Flamingos
- You've heard of “Poker Runs”... how about a Road Rally for Rwanda—Make it a progressive dinner with each course offered at a different church

Motorcycles for Ministers is part of the ongoing Rwanda Partnership in the Presbytery of Kiskiminetas.
