

ANNUAL REVIEW FORM

Parish Associate

A **parish associate** is a minister who serves in some validated ministry other than the local parish, or is a member-a-large, or is retired, but who wishes to maintain a relationship with a particular church or churches in keeping with ordination to the ministry of Word and Sacrament.

The Committee on Ministry shall review the designation once each year to insure:

- (1) that the time and energy required as a parish associate will not interfere unduly with the work of the person in his or her principal function;
- (2) that installed leadership of the particular church be protected in its effective functioning;
- (3) that the parish associate continue to meet the criteria for continuing membership in the presbytery based on other than this relationship to a particular church. Book of Order G-14.0515 a & c

In order to assist the Committee on Ministry in the annual review of parish associates, please respond to the following questions and return your responses to the Presbytery Office by **November 18, 2005**, in preparation for the Committee on Ministry recommendation to the Presbytery at the stated meeting on January 8, 2005. You may also fill it out and submit it online or downloaded it as an electronic file into your word processor by accessing the presbytery:
